Dear Admiral Turner,

I am writing to ask for your assistance.

STAT

[redacted] may have mentioned to you that I will apply for a White House Fellowship in the fall of this year for 1978 - 1979. I have written to the President's Commission on White House Fellowships for an application, which I understand must be completed and returned with two personal evaluations.

Sir, I would be most appreciative if you would indorse my application with your recommendation. If you agree, I will send you the necessary forms and instructions when I receive them from the commission.

Thank you for your consideration.

Respectfully,

STAT
